

# Benson News

Dear Parents,  
 Firstly, a very warm welcome to our new families. If you need any help settling in please come in and ask.  
 Term is now well under way and children are all settled in their new classes. Everyone is working hard and already making great progress. Our new house teams are in place so if your child hasn't told you yet make sure you ask them what team they are in. Every time a child gets a house point for doing something well the whole team benefits. Teachers are also in house teams so are cheering their teams on!  
 Looking forward to another successful year at Benson.
