Dear Parents,

The school has been busy over the last two weeks and everyone is settling into this half term well. Books are looking fantastic and children are making great progress. Across the school and in every classroom your children are working so hard to please their teachers and do their very best. Please do make sure you can pop in and meet your teachers on Tuesday 28th November for parent afternoon.

A massive thank you for everyone who send tins in for our harvest collection—what a super community we are.

F.A.B

Our job is to go and patrol the playground and help any child who is upset or wants to play with the other children. Helping children in the playground really makes school a lot of fun. It is really interesting being in this job because there are lots of children to play with and to help have a fun playtime. "I like F.A.B because you get to help others"

- We help children who need someone to play with
- I love this job because I like making people smile
- You get to meet new people
- I like wearing the hoodie - it's cool!
- We can teach children new games
- We get to play with everyone

Harvest Donation

On Friday 3rd November the whole school had a non-uniform day. We had to bring in a tin of food for the local food bank. I was one of the people who collected all of the tins from around the school. There were over 750 tins and 6M collected the most.

On Thursday 9th November the whole school had a visit from Birmingham City Mission. Matt told us about being generous and helping people who need it. After the assembly myself and some other members of year 6 went to Handsworth, Wesleyan Church to donate the tins. We met a minister called Margaret and she told us all about the food bank.

I felt very proud of our school today because we helped a lot of people in Birmingham. We are very lucky to have a meal at school and I appreciate everything I have.
